

We Inspire to Aspire

Spring Term 2022

Focus composer

Our focus composer this half term is Duke Ellington. Born in America in 1899, he was a famous composer, pianist and Big band leader. He was one of the most influential figures in jazz music. He became more popular after his death in 1974. The children will enjoy listening to a range of jazz music he has written and performed in.

What is going on this half term?

KS1 are enjoying learning the keyboard in their after school club.

Mohammad said, 'I really like the different sounds the keyboard can make!'

This term, the choir is competing in a competition with Seven Trent water. They have composed their own song to promote the drinking of water during the Commonwealth games. Keep your fingers crossed for them!

Thank you to all Early Years and KS1 parents who were able to come see the children's Nativity performances last term. KS2 created a super video showcasing their singing and year 5 playing the steel drums!
